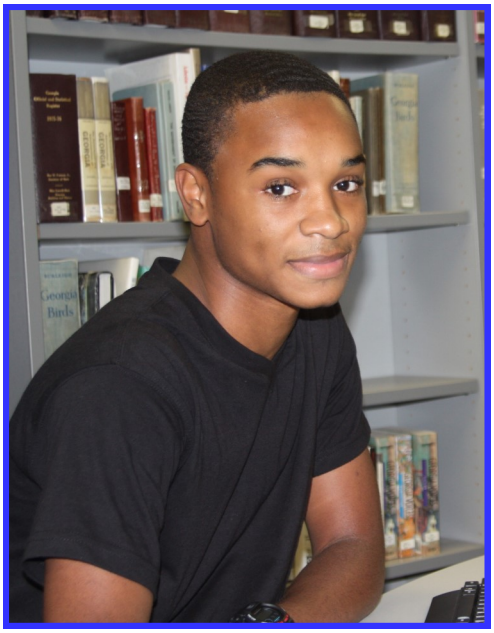
FRESHMAN ADMISSIONS

The Liberal Arts College Preparatory Magnet is designed to nurture the intellectual qualities necessary for success in college. Students are challenged to think critically, to improve their decision-making and problem-solving skills, and to become responsible citizens. The Admissions Committee looks for evidence of motivation and readiness for high school work. Students will qualify for entrance into the program based on the following criteria:

- Completion of the online application: apps.muscogee.k12.ga.us/magnet. Applications open Oct. 14th, 2019 and close Jan. 17th, 2020. The online application features test selection dates, recommendations from the student's current English teacher and Math teacher as well as the school guidance counselor. The student must showcase positive attitude, behavior, and attendance. All academic, attendance, and behavior records as well as teacher recommendations are submitted through the online application. The student must showcase an "82" or higher in all academic subjects, to include elective courses in order to qualify for testing. Students who meet the criteria will be sent a testing confirmation letter to bring with them to their selected admissions testing date, along with several pens and pencils.

- Successful completion of the entrance exam, which includes:
    - An English skills test
    - A Math skills test
    - An essay

Selection of Freshman Students


Acceptances for the freshman class will be announced at 5:00pm on February 14th, 2020 via the online application site. Students will have until Friday, February 21st at 11:59pm to accept their magnet offer to attend our magnet program for the 2020-21 school year. Following enrollment into the program, students must maintain a "C" average or better in each course. Any student whose nine-week grade in a term course is less than a "C" will be placed on academic probation for that term. Every effort will be made to help the student improve his grade. At the end of the term, if any grade is less than a "C," the student's progress will be reviewed, and he may be reassigned to the high school in his residential attendance zone. In addition, all students admitted for the upcoming school year will be required to take AP World History (10th grade) and at least one other Advanced Placement class while a student at CHS.
