

## AP Art History

Visit a museum in Columbus or anywhere you go this summer. Bring student ID for discounts. Pick two (2) pieces of artwork at the museum; spend several minutes just looking over every detail from top to bottom and all the way around. Take a picture of yourself with the artwork. Do not use your flash. Write a paragraph describing what you see, what you feel, what it reminds you of, and why you chose it. If you really want to impress me, compare and contrast the two pieces. Do not forget to write down the artist, title, date, and medium. Please create a Google doc with your pictures and descriptions. Due in Canvas by August 7th at midnight.
